

EXCEPTIONAL FAMILY MEMBER PROGRAM- MEDICAL (EFMP-M)

EFMP is a mandatory enrollment program for all active duty personnel who have family members with special needs. The goal of EFMP is to assist military families in managing the dual demands of a military career and the special needs of a family member. Exceptional Family Members are enrolled in DEERS and possess a diagnosed physical, intellectual or emotional need that requires specialized medical or educational services.

Enrollment in the EFMP program is designed to assist the sponsor with assignment to a duty station where appropriate services necessary to support family members are available. JB MDL EFMP Specialists are available to assist sponsors and their family members with the enrollment process, resource referral and support during assignment transitions.

For more information about the EFMP program please contact us at (609) 754-9752. The program screens all families with an overseas assignment to ensure all necessary services are available at the gaining base. Continuity of care is provided through referrals to local base and community agencies.
